### **Mike Blose Captures Back-to-Back Wins at Marion Center and Dog Hollow**

***New Bethlehem, PA (September 6, 2011)*** Former regional series champion Mike Blose of New Bethlehem, PA and Mike Blose Racing's 2011 season has switched gears from Fastrak sanctioned Crate racing to full blown Super Late Model racing thanks to Performance Machine Inc. (PMI Racing Engines) and their 403ci Ford powerplant.

Since dropping the full size motor in his ProShot Directional Boring, Country Palace, Primitive Peddler, PMI Racing Engines, Hoosier Racing Tire, Victory Signs, JNJ Motorsports Media sponsored Rocket Chassis at the beginning of July, Blose has gathered eight top ten finishes before reaching victory lane in his last two starts.

Blose's string of solid finishes began on Friday, August 26 at Dog Hollow Speedway in Strongstown, PA where Mike would battle his way to a fifth place finish before heading to Marion Center Speedway in Marion Center, PA on Saturday, August 27. Blose raced hard with Gregg Satterlee for all 25 laps of the main event to claim his first super late model win of the 2011 season.

The following Friday, September 2, the team visited Dog Hollow Speedway again and after finishing second in his heat race with an ill sounding engine, Mike's daughter Lacey hustled back to the shop for a new distributor. The team swapped it out in time to start on the pole for the feature event. Blose went on to lead the entire distance and grab his second super late model win of the season.

'We really need to thank PMI Racing Engines for helping us out with a motor,' Blose said, 'they stepped up and helped us to get back to where we wanted to be, running super late models. The motor has been fantastic since we put it in the car and the results are finally showing.' Mike continued, 'I need to thank all of our sponsors, the crew, the JM2 Motorsports team, and all of our fans for all of their help and support.'

Mike and his Mike Blose Racing team will be in action this upcoming Friday, September 9 at Dog Hollow Speedway in Strongstown, PA. Stay tuned to [www.mikebloseracing.com](http://www.mikebloseracing.com) for any other additions to the schedule as the 'Special Event' season gets underway.

For more information on these events please visit [www.dog-hollow.net](http://www.dog-hollow.net).

Mike Blose Racing would like to thank all of their sponsors and supporters: Victory Signs, Country Palace, Pro Shot Directional Boring, Freedline Auto Repair, Primitive Peddler, Hoosier Racing Tire, JNJ Motorsports Media, PMI Racing Engines, Ingram Racing Engines, Beyea Headers, The Brake Man, Genesis Shocks, Kirkey Racing Products, Quarter Master, Simpson Racing Products, and Sweet Manufacturing. Special thanks to Dick, Ernie, and Logan along with the JM2 Motorsports crew!
